

# QC Updates

## *Idea Sheet*

**This form is used to collaborate some of your ideas and possibly give you new ones. If you are confused or are not sure about any of the following, please do not worry. We will discuss it together. This form is just used to start the web creation process and to put some of your thoughts and ideas on paper.**

**Please fill in the following information:**

### **Business Information**

#### **Contact Information:**

Business: \_\_\_\_\_

First: \_\_\_\_\_ Last \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Phone: (\_\_\_\_) \_\_\_\_\_

### **Web Site Specifics**

#### **Color Scheme:**

(A color scheme usually consists of two or three colors that you were thinking for the web site. A background type color, an accent color, and a dark complementary color to the accent color.)

**Font Type:** \_\_\_\_\_

(Unless the font is common to most Window systems (Arial, Times New Roman, Courier New), a font may not be possible to use on your web site.)

Do you have a logo for your business that you want to incorporate on your web site?

Yes  No

## Page Layout (Only Possibilities)

Choose the layout of the web site (Ignore the color, just look at the layout)

A

B

C

D

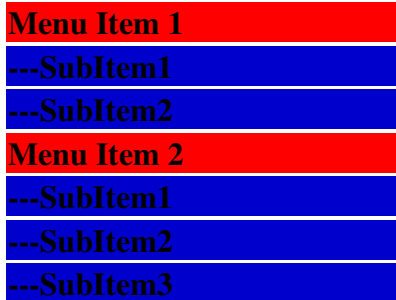

## Menu Choices

Most web sites have a way to navigate by using a menu. When the user moves their mouse over the Menu Item's, the SubItems will appear, if you wish.

Please Select From Some of the Following Menu Systems

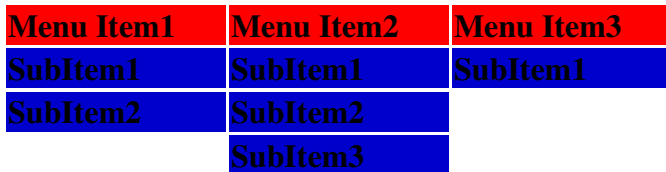

Vertical (like Page Layout C)

Example:

Horizontal (like Page Layout B)

Example:
